01 About these terms

These Terms of Use govern your access to and use of this website, operated by Muzn Energy L.L.C. ("MUZN Energy", "we", "us"). By using the website you agree to these terms. If you do not agree, please do not use the website.

02 Using the website

You may use the website for lawful purposes, to learn about MUZN Energy and to contact us about our services. You must not:

- use the website in any way that breaches applicable law or regulation;
- attempt to gain unauthorised access to the website, its servers or any connected systems;
- introduce viruses or other harmful code, or interfere with the website's operation or security;
- use automated tools to scrape, copy or monitor the website without our written permission;
- submit false, misleading or third-party information through the enquiry form.

03 Information, not an offer

Content on this website is provided for general information about MUZN Energy and its LNG solutions. It does not constitute an offer, quotation or commitment to supply.

Any figures shown, such as emission reductions, cost savings or storage efficiency, are indicative. Actual results depend on each site, its operating conditions and the solution agreed. The supply of LNG or any other product or service is subject to a separate written agreement.

04 Enquiries

Submitting an enquiry does not create a contract or oblige either party to proceed. We aim to reply promptly but cannot guarantee a response time. How we handle the information you send is described in our Privacy Policy.

05 Intellectual property

The website and its content, including text, images, video, graphics, layout and software, are owned by or licensed to MUZN Energy and are protected by intellectual property laws.

"MUZN", "Muzn Energy", the MUZN logo and the bowtie mark are trademarks of MUZN Energy. You may not use them without our prior written consent. You may view and print pages for your own internal, non-commercial reference, provided you do not modify them or remove any notices.

06 Links to other websites

The website may contain links to third-party websites, such as LinkedIn and Google Maps. We provide them for convenience only, do not control those websites and are not responsible for their content, policies or availability.

07 Disclaimer

We take care to keep the website accurate and available, but it is provided on an “as is” and “as available” basis. To the extent permitted by law, we make no warranties, express or implied, that the website or its content will be complete, accurate, uninterrupted, secure or free from errors or viruses.

08 Limitation of liability

To the extent permitted by law, MUZN Energy will not be liable for any indirect, incidental or consequential loss, or for any loss of profit, revenue, business or data, arising from your use of, or inability to use, the website or reliance on its content.

Nothing in these terms limits liability that cannot be limited under the laws of the United Arab Emirates.

09 Indemnity

You agree to indemnify MUZN Energy against claims, losses and costs arising from your breach of these terms or your misuse of the website.

10 Privacy

Our Privacy Policy explains how we collect and use personal data, and forms part of these terms.
